"No one may know
I went among the hills with a broken heart
And only on the high places could I learn
That I and mine
Were very close together.
We dare not tell those beautiful thoughts,
They like to say 'explorer' of me,
No, only hunter of peace.
I found it." - Mary Shaffer Warren

We invite you to come join us; get away from
the spin-cycle of life, and be willing to laugh
'til it hurts.
